For Better Or For Worse

ICE-BREAKER

If you could have had the starring role in one film already made, which movie would you pick?

GROUP DISCUSSION...

- 1. When you fell in love, how did you know you were in love? What was it about that person that made you fall in love? What is the difference between falling in love and staying in love?
- 2. Why do you think there are over 1,500 matchmaking organizations in this country? Why is there such a demand? Has it become harder or easier to fall in love in light of the number of matchmaking services?
- **3.** What unwritten rules about love (healthy and unhealthy) did you learn from your family of origin? How have those rules surfaced in your current relationship?
- **4. READ John 13:34.** Jesus says that love is a verb, not a noun. What is the difference between *doing love* versus *feeling love*? Give an example of what this looks like in your relationship.
- **5. READ Ephesians 5:21.** What is your first reaction when you hear the word "submit"? How does the idea of submission sometimes get abused? What does mutual submission look like in the context of marriage?
- **6.** What steps can you take this week to proactively love, rather than reactively respond to what someone else might or might not do for you?

REMIND YOURSELF DAILY...

EVERYDAY a DISCIPLE wakes up and ASKS Himself / Herself THIS QUESTION in ALL of His / Her RELATIONSHIPS: "WHAT DOES LOVE REQUIRE OF ME?"

VERSE OF REFLECTION...

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Philippians 2:3
