

# Go Deeper Life Group Study

## ***Love Like Jesus***

*Breaks Bread*

*June 10, 2018*

### **ICE-BREAKER**

What are you doing to stay cool this summer?

### **GROUP DISCUSSION...**

1. Did your family eat together when you were a kid? Now?
2. READ ACTS 2:42-47. What do you do now that most resembles that type of community? When else in your life have you experienced that type of community?
3. Which one is easier for you: Community inside of church or community outside of church? Why?
4. Share a story about a time when a community of friends held you up during a hard time.
5. What are you doing right now to grow deeper relationships? What are you doing right now that is hurting your relationships?
6. God blesses us to be a blessing. How could your group be a blessing to friends, neighbors, or strangers outside of your group?
7. Who do you know that needs community? What can our group do to help others find community?

### **REMIND YOURSELF DAILY...**

***To be a follower of Jesus means you are DEPENDANT on the grace of Jesus and the presence of other Jesus followers in your life.***

### **VERSE OF REFLECTION...**

***For where two or three gather in my name, there am I with them. Matthew 18:20***
