

Go Deeper Life Group Study

THE PROMISE

Grapes & Giants – Week 2

May 12, 2019

ICE-BREAKER...

What did you do to celebrate Mother's Day?

GROUP DISCUSSION...

1. Pastor Josh said, "*Where there are promises there will also be problems.*" Do you agree or disagree? Why doesn't God just give us promises without problems? Have you experienced this idea at work in your own life?
2. **READ Numbers 17:26-33.** Why did Caleb & Joshua have a different report from the other 10 spies? What does this passage teach us about fear and faith? How can we become more like Caleb & Joshua?
3. What are you afraid of these days? Where do those fears come from? What lies about God might you be believing that are feeding those fears?
4. **READ Numbers 14:24, 30, 38 and Joshua 15:13-14.** What blessings did Joshua and Caleb experience? Did they receive those blessings instantly? What do we learn about God's promises from these verses?
5. What are the consequences of giving into fear? What kind of blessings might you be missing out on because of your fears?
6. God is inviting us to take the land that He has *PROMISED* to COC. Does that invitation excite you or scare you? Why is that? What can you do this week to shift your focus from the "size of the giants to the size of the grapes?"

REMIND YOURSELF DAILY...

GOD'S POWER IS ONLY POTENTIAL... UNTIL YOU CONVERT IT INTO STRENGTH - THROUGH FAITH AND ACTION!

VERSE OF REFLECTION...

For in hope we were saved, but hope that is seen is not hope, for who hopes for what he sees? – Romans 8:24
