### **ICE-BREAKER**

What do you think is the best feeling in the world? What punctuation mark best describes your personality? Why?

### **GROUP DISCUSSION...**

1. **READ Philippians 1:6.** Have you ever thought of your life as being God's project? How does that thought change the way you approach your life? How does it change the way you approach God?
2. Pastor Ben talked about 1) trying to be who others tell us to be, 2) faking it to look good spiritually, and 3) trying really hard to be a good person. Which of these do you struggle with the most? Why?
3. **READ Philippians 2:12-13.** What does it mean to you to "work out your salvation"? How do you see God partnering with you in that process? What areas of your life is God helping you to grow in right now?
4. Are you afraid of disappointing other people? Are you afraid of disappointing God? Why or why not?
5. Why do you think God put you on this planet? What is your purpose?
6. What do you need the most from God this week? To know you are accepted? To feel connected to God? To get tuned into your purpose? To define success for your life the way that God defines success for you?
